This is my 1966 mustang coupe I call Suzzie. We found her at the end of last year here in the valley from a guy who was a friend selling for the actual original owner. It needed some work, but most cars that sit since the late 80s or early 90s usually do. It's a really cool car as it is originally from Spokane. When new, it was bought from Ernie Mayer Ford in downtown Spokane off 3rd Avenue (where Subaru of Spokane is currently located). I couldn't believe how untouched the car was. It has an inline-6, 200c.i. engine and it fired right up and purred away from the beginning. Now, with a little carburetor work and new master cylinder and some brake work she just floats right on down the road.

'Stang of the Month, cont.)

I love to drive it and try to do so as much as I can. It even gets better gas mileage than my daily driver. I have always been a car enthusiast growing up. My dad had many different cars, from a '67 Fairlane, to many square body Chevs. So, right after I graduated high school I found this rare '86 GMC Jimmy with the 6.2-liter diesel, which really got me into cars and car clubs. I have since sold the Jimmy and put the money into the Mustang. I find myself, more and more, learning new things cars, and especially Mustangs of all years.

Hopefully, I will someday own a shop with my own car collection.

- Justin Stelzer

The Big Event is coming—our 22nd Annual Hot Wheels is just around the corner and excitement is building. Preparations are going well, but volunteers are still needed. Contact Bruce Stirn at (509) 944-1984 to help out. We'll dedicate time at the August 2nd meeting to discuss this event. It will be a new venue for our club, so it's important that we put in the effort to make this car show a success.

The monthly ice cream run to Harvest House at Greenbluff was well-attended, with 34 cars participating. "Sack lunches" (turkey sandwich, chips and bottled water) were available for purchase, cutting down on the time spent in the order line. This gave us more time for socializing and I found it very refreshing.

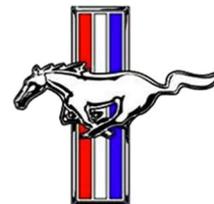

At the INCCC Downtown Scholarship Car Show, our club showed eleven cars. There was a total of 378 cars, representing multiple car clubs in the Spokane and surrounding area. With perfect weather, a great time was had and a great cause was supported.

Carpe diem, Mustangers!
